NOT SURE WHAT YOU WANT TO STUDY?

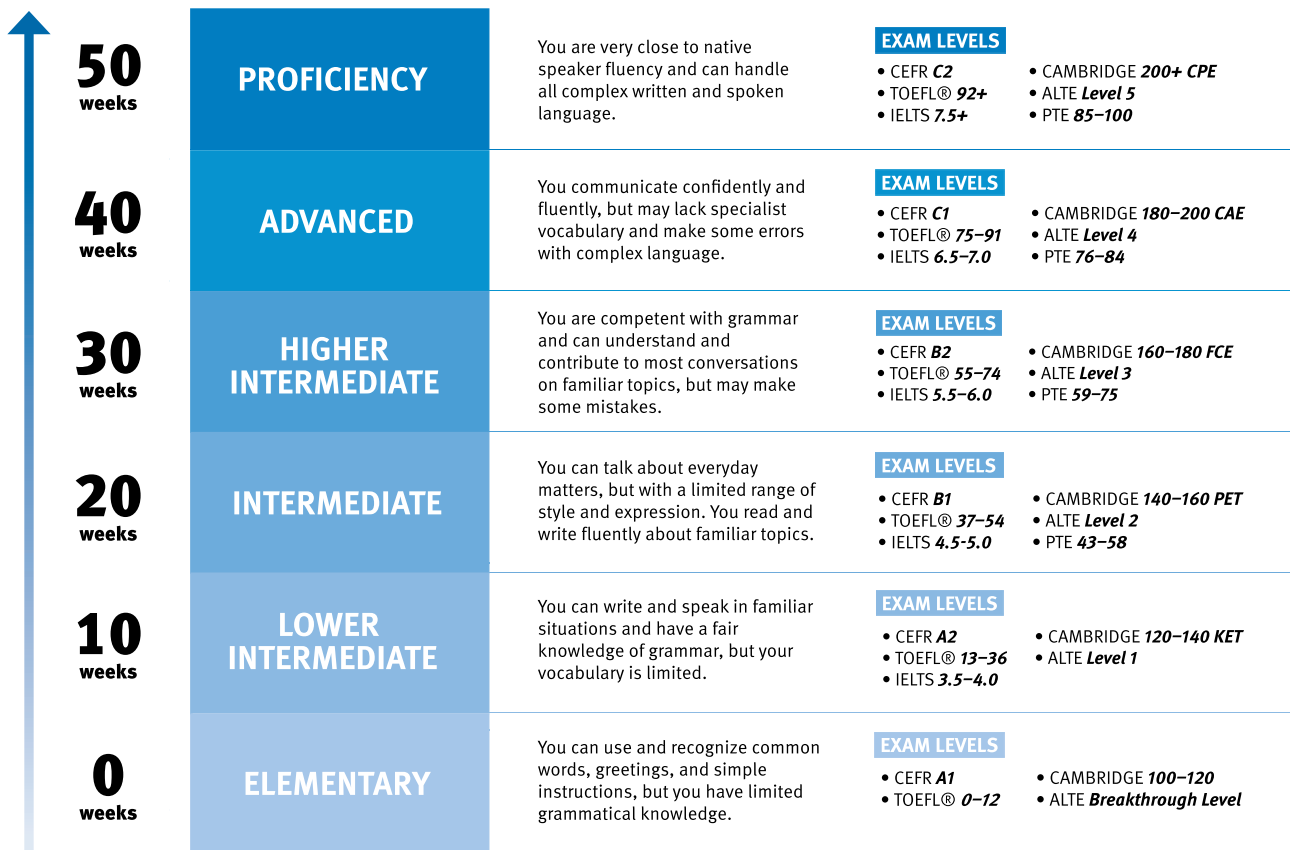

DON'T WORRY, KAPLAN INTERNATIONAL WILL HELP YOU DECIDE.

Selecting a program and institute takes time and consideration. If you have an idea of what you want to study, you should think about the type of degree or diploma you want to obtain in the US. Do you want to graduate with a diploma, bachelor's, or master's degree?

# PROGRESS AND LEVEL CHART

The chart below shows the progress you can make with a Kaplan language course. On arrival at your school, you will be given a proficiency test to enable our staff to place you in the correct class for your language level. Regular progress tests during the course will then allow your teachers to monitor your level of improvement.

Length of study in weeks (Intensive English)\*

\*Please note that 10 weeks per level is just a guide to average progress rates on an Intensive English course. We cannot guarantee an exact period of study over which specific language goals can be attained.

## NOT SURE IF YOUR ENGLISH IS GOOD ENOUGH?

Kaplan International will help you determine what your English level is before you leave your home country. We will tell you how many course weeks you need to take to meet your chosen university or college's minimum level requirement.

Part of our University Placement Service is a free pre-arrival test to determine your level of English. Based on this assessment, Kaplan can estimate the time you need to improve your English to the required level for admission into a university or college. Many of our partner institutions accept the successful completion of Kaplan's English level in lieu of TOEFL® or IELTS score for admission into their programs.
